## **PANEL 2 OSCE PANEL**

*A panel on how public procurement practices could be leveraged to combat trafficking in human beings in supply chains. Governments should ensure that goods purchased and services contracted by state institutions are not being made through exploitation of people. The panel will discuss why it is important to use public procurement to prevent human trafficking, existing policies and practices adopted by countries in the OSCE area in this space, efforts by international actors to harmonize policies across different jurisdictions and how governments should cooperate with the private sector to combat human trafficking in supply chains.*

Moderator - Valiant Richey, Acting Co-ordinator for Combating Trafficking in Human Beings, OSCE

15.00 – 15.25	Pia Uhre Trulsen, Contract- and CSR manager, Division South-East, sykehusinnkjop, Norway
